## EFFECTIVE COMMUNICATION STRATEGIES

An education program presented by the Alzheimer's Association®

Communication is more than just talking and listening - it's about understanding and receiving messages through attitude, tone of voice, and body language. In this interactive program, individuals - living with Alzheimer's or caring for someone who has Alzheimer's or who needs help, families can find new ways to connect.

Join us to explore how communication changes when someone is living with Alzheimer's, learn how to interpret the verbal and behavioral communication, and identify strategies to help you connect and communicate at each stage of the disease.
